Organization: **HONTER Company s.r.o.**
IČ: 24719609
Address: Na strži 2102/61a, 140 00 Praha 4, CZ
Plant: **HONTER Company s.r.o.**
Address: Na Křtaltě 42, 789 01 Zábřeh, CZ
Order: Z030260004

Product Description:

The product is a sprayed rigid polyurethane foam system, a system consisting of components (isocyanate component and polyol component) which, after spraying, form a rigid polyurethane foam characterized by the specific properties of the foam produced. The isocyanate component is a liquid isocyanate product, which is one of the components of the rigid foam system. The polyol component is a liquid polyhydroxylated product containing a blowing agent, catalysts and other additives

System boundaries include information modules A1-A3, C1-C4, D according to EN 15804+A2:2019.

Product Category Rules (PCR): EN 15804+A2:2019.

The Certification Body has independently verified the environmental statement in accordance with the requirements of:

EN ISO 14025:2010 Environmental labels and declarations - Type III environmental declarations - Principles and procedures

EN 15804+A2:2019 Sustainability of construction works - Environmental product declarations - Core rules for the product category of construction products

The certificate is issued on the basis of the final EPD verification report 030-069724 of 2026-01-21 issued by Technical and Test Institute of Construction Prague. The report includes the conclusion of the findings and terms of validity of the certificate.

Praha, **2026-01-21**

The certificate is valid till: **2031-01-21**

Ing. Jozef Pôbiš
Manager of the Certification Body
